"I sit on the board walk all summer and hand these maps out. People love them and I find the maps especially helpful in directing folks towards the town's restaurants and shops."  
- Jonathan Van Campen

"When Just Dogs! Gourmet opened its doors late last summer, the one thing I noticed was the large number of people walking around using the Newburyport Resort Map. As a new business, it was an easy decision to add my store's name to the map to ensure that we would be included in the choices of businesses to be visited by people unfamiliar with Newburyport." - Judy Hoover, owner
