

GREATER NEWBURYPORT CHAMBER OF COMMERCE & INDUSTRY

*** MEMBER BENEFIT ***

ADDITIONAL BUSINESS CATEGORY LISTING FORM

Membership with the Chamber entitles you to one (1) category listing. To increase your visibility, you have the option of purchasing additional listings related to your business. These will appear in the Membership Directory and on the website. The annual cost for the 2nd listing is \$50 and each additional listing thereafter is just \$25. For example, if your organization provides both environmental consulting and engineering services but your primary category is "Environmental Consultants" you may wish to buy "Engineering Services" as an additional category. A restaurant that also does catering would purchase "Catering" as a 2nd listing in addition to "Restaurant," and so on. See reverse for a complete list of existing categories. If you do not see one that applies to your services, we can create it for you!

Company: _____ Date: _____
